RE: Chapter 11 of Superior Air Parts, Inc.

Dear Creditor:

Superior Air Parts, Inc. ("Superior") filed Chapter 11 of the United States Bankruptcy Code on December 31, 2008 in the United States Bankruptcy Court in the Northern District of Texas –Dallas Division, case no. 08-36705-11. We represent Superior.

You are receiving this letter because you are on Superior's limited service list which includes its 20 largest unsecured creditors, excluding insiders.

Superior filed Chapter 11 to facilitate the sale of all of its assets in February 2009. If the court approves the sale, the proceeds of the sale will be distributed to creditors of Superior under a bankruptcy plan to be filed in the near future. In order to obtain the maximum purchase price for Superior's assets, the assets will be sold free and clear of all liens, claims, and encumbrances, and creditors of Superior will be barred from pursuing any claims against the purchaser.

After several months of marketing the company, Superior accepted an offer from Avco Corporation ("Avco"), an affiliate of Textron, Inc., for \$11.5 million, subject to certain adjustments in the Asset Purchase Agreement. The Debtor is asking the court to set an expedited hearing to adopt a bidding procedure in an effort to get higher offers and will ask the court to set a hearing on a sale to Avco or the highest bidder in February 2009.

Today we have filed the following motions which may affect your rights and we are asking the court to set an expedited hearing on them in the next two weeks.

Debtor's Motion Pursuant to Section 364(c) of the Bankruptcy Code for Final Order Authorizing Post-Petition Financing;
